"Far better it is to dare mighty things, to win glorious triumphs, even though checkered by failure, than to take rank with those poor spirits who neither enjoy much nor suffer much, because they live in the gray twilight that knows not victory nor defeat."

Theodore Roosevelt

'54 SPARTAN

MCMLIV

Not enjoyment, and not sorrow  
Is our destined end or way;  
But to act, that each tomorrow  
Brings us farther than today.

A Psalm of Life

# FOREWORD

When other lips and other hearts  
    Their tales of woe shall tell,  
In language whose excess imparts  
    The power they feel so well,  
There may, perhaps, in such a scent,  
    Some recollection be  
Of days that have as happy been,  
    And you'll remember me.

--Alfred Bunn

In appreciation for all the guidance and co-operation given to the Class of 1954, we dedicate our yearbook to Mr. Jack Davis, who has been our capable and understanding advisor for the past four years. # CLASS POEM

In leaving halls that mean so much  
A host of memories dear  
Are brought back in these passing thoughts  
Of each past and present year.

Of hours we've spent, and fun we've had  
Of friends who hate to part  
The plays, the games, the band, and chorus  
That linger in each heart.

The pleasures and the hardships  
Have combined to make complete  
The years we've shared at Sparta High  
We hold them as elite.

But even as we graduate  
And leave these realms; we see  
Our hopes turn to the future  
And the challenge of life's great sea.

And looking now to greater things  
We see the nearing year,  
When the burdens of a troubled world  
Will be our own to bear.

We lift this humble prayer to God  
That the wisdom which we take  
Will be the instrument we need  
To put a broken earth in shape.

# JUNIOR-SENIOR PROM

"Moonlight and Roses" was the theme chosen by our class for the annual Junior-Senior Banquet and Prom on June 2, 1953. This thought was carried on throughout the evening in both the banquet and prom.

The table accessories were very appropriate to the theme and the banquet was a ham dinner.

The setting of the gym was a moonlight evening with trellises and realistic roses entwined about them. A wishing well and make-believe moon and stars added to the scene.

The orchestra of Harrison and Peck provided excellent dancing music and the evening turned into a cherished memory.

# JUNIOR PLAY

"That's Our Boy", a farce comedy in three acts, was presented by the Class of '54 on March 27 and 28, 1953.

The play was under the direction of Mrs. Bernice Serrine, assisted by Larry Gray. The understudy for the play was Ann Anderson.

The cast included: Dean Cumings, Roger Simmons, Marilyn Phelps, Eleanor Kik, Anne Kellogg, Ronald Klein, Helen Courturier, Ed Barr, Barbara Ferguson, Myrtle Anderson, Eloise Irish, and Bob L. Carlson.

We have added this play to our long chain of memories.

## UNDEFEATED!

The 1953 football team combined speed, skill, student backing, and an undaunted will to win and the end result was one of the finest football seasons in Sparta High School history.

Bolstered by thirteen seniors, the Spartans overcame a big weight deficit and fought their way to three outstanding honors. Those honors being, the Kenewa League Championship, a nine game undefeated season, and being rated second only to Mt. Pleasant in the A. P. state ratings.

Under the excellent coaching of head mentor Norm Harris and assistant coach Wes Perrin the gridders were equally strong on offense and defense as they scored 275 points while holding their opponents to only 32 points.

The defense, spearheaded by the fine work of team captain Dale Trimble, attributed most of their success to team play and aggressiveness. Not one team made over seven points against us during the season.

The Spartan cagers overcame a great height deficit by combining speed, shooting accuracy, and aggressiveness. The end result of which was an exciting and successful season. The team scoring was well balanced with five players sharing the major load.

Playing in the greatly strengthened Ken-New-Wa league, they made a fine account of themselves, always upholding the tradition of the fighting Spartans.

WON 5, LOST 5

The 1953 baseball team under the fine coaching of Mr. Todd, finished the season with a five won, five lost record. The Spartans won three league games and lost three, while in non-league competition they won two games and dropped two.

Two highlights of the season were the one-hit victories by Rog Radeck and Nick Creveling over Coopersville and Cedar Springs respectively.

## SECOND PLACE

The "53" track team was strong in track events, but weak in field events. This proved to be a contributing factor to their only loss of the regular season. The Spartans finished second only to Zeeland, a new Ken-New-Wa member. Sparta edged Kelloggsville in their first meet, but was tripped by Zeeland in the second meet. Then regaining their form, the Spartans concluded the year victoriously.

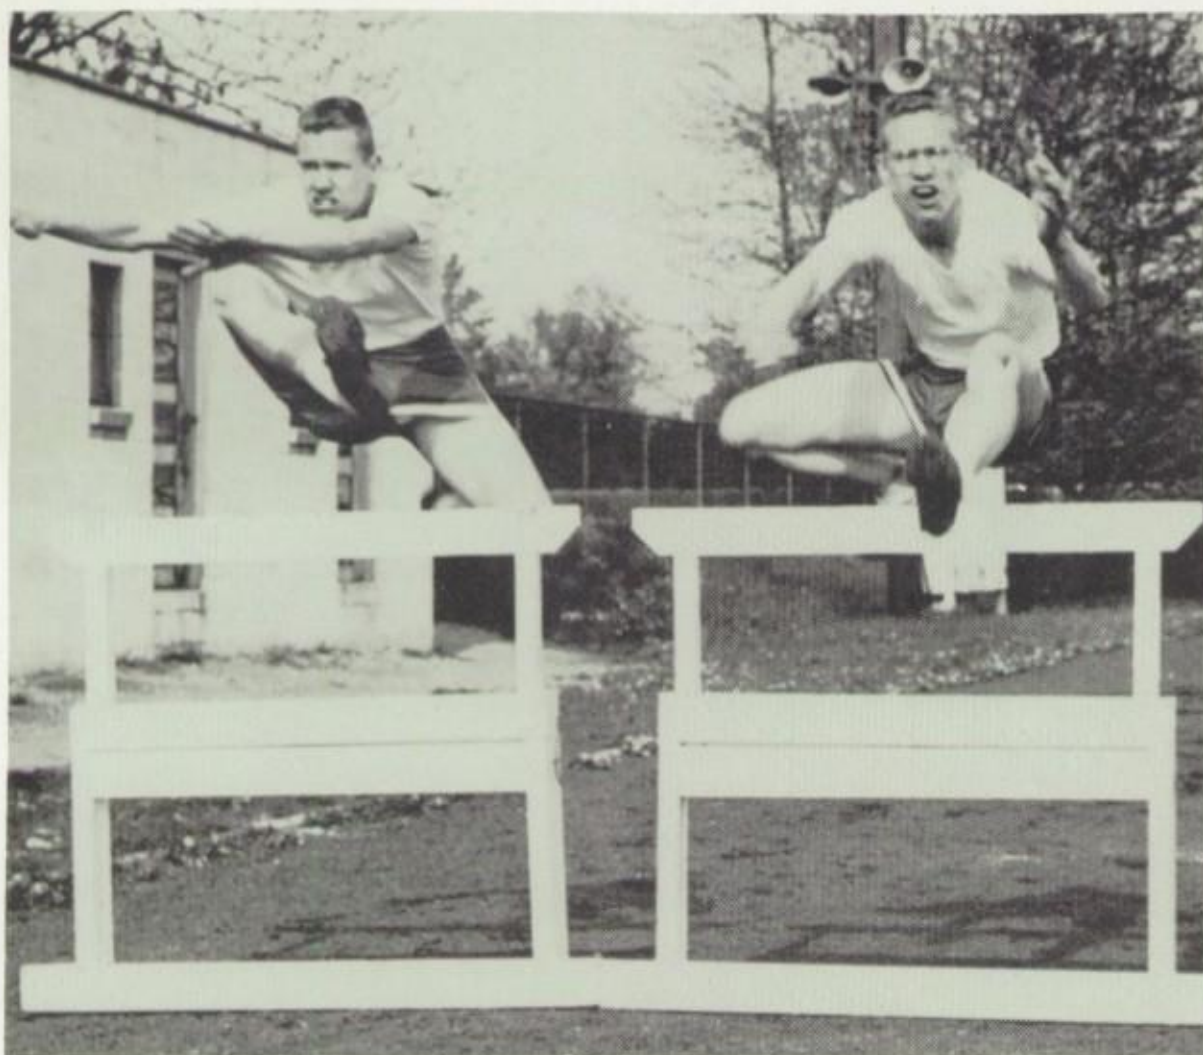

The 1953 Track Squad proved to be one of the finest in Sparta's history. The team was very strong in running events with some weakness on the field. Coach's Harris and Perrin spent a good deal of time developing potential track stars to prepare for the 1954 season. The team finished second to Zeeland in the league, and bolstered State Champion Glenn Burgett in the dashes.

Dale Trimble, Don Shangle, and Arlan Lundquist teamed with Glenn Burgett to comprise a top-notch relay team. Shangle and Lundquist were strong in the 440 and Dale in the hurdles along with the Barber twins. Duane Bradford was the team's top miler with brother Don, Ron Plummer, and Ken Graves running the half mile. Dick Greeno, Jim Whitehouse, and Floyd Guiles joined with the above to handle the field events.

With the help of a well-seasoned team the Spartan tennis team had its most successful season in almost 20 years. The Sparta netters set the pace in the first half of the season leading the league. In the second half, Cedar moved into a tie with the Spartans by edging them 2-1. A later loss by Cedar gave the Spartans an opportunity to again regain sole possession of the league leadership. They took full advantage, winning their last match and the league title.
